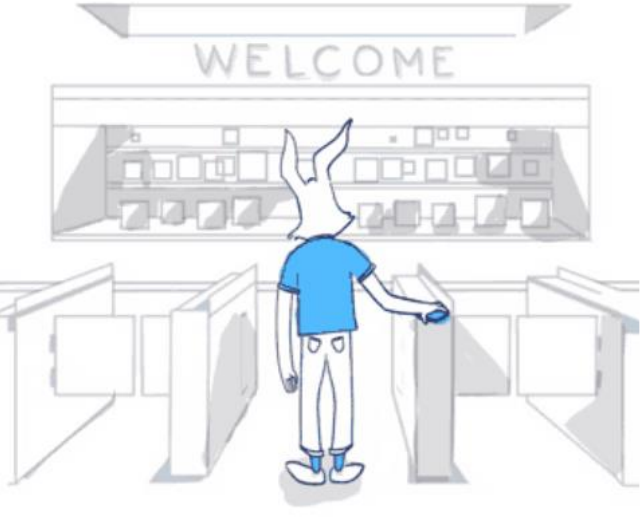
AiFi is building a checkout-free solution for the next generation stores

# How it works

Scan



Grab

Go!

# Frictionless shopping experience powered by AI

Smart Camera Network

Sensor Fusion System

AI Algorithm

**Smart Virtual Cart**

Automatic Checkout

Real-time Shelf Info

Customer Behavior

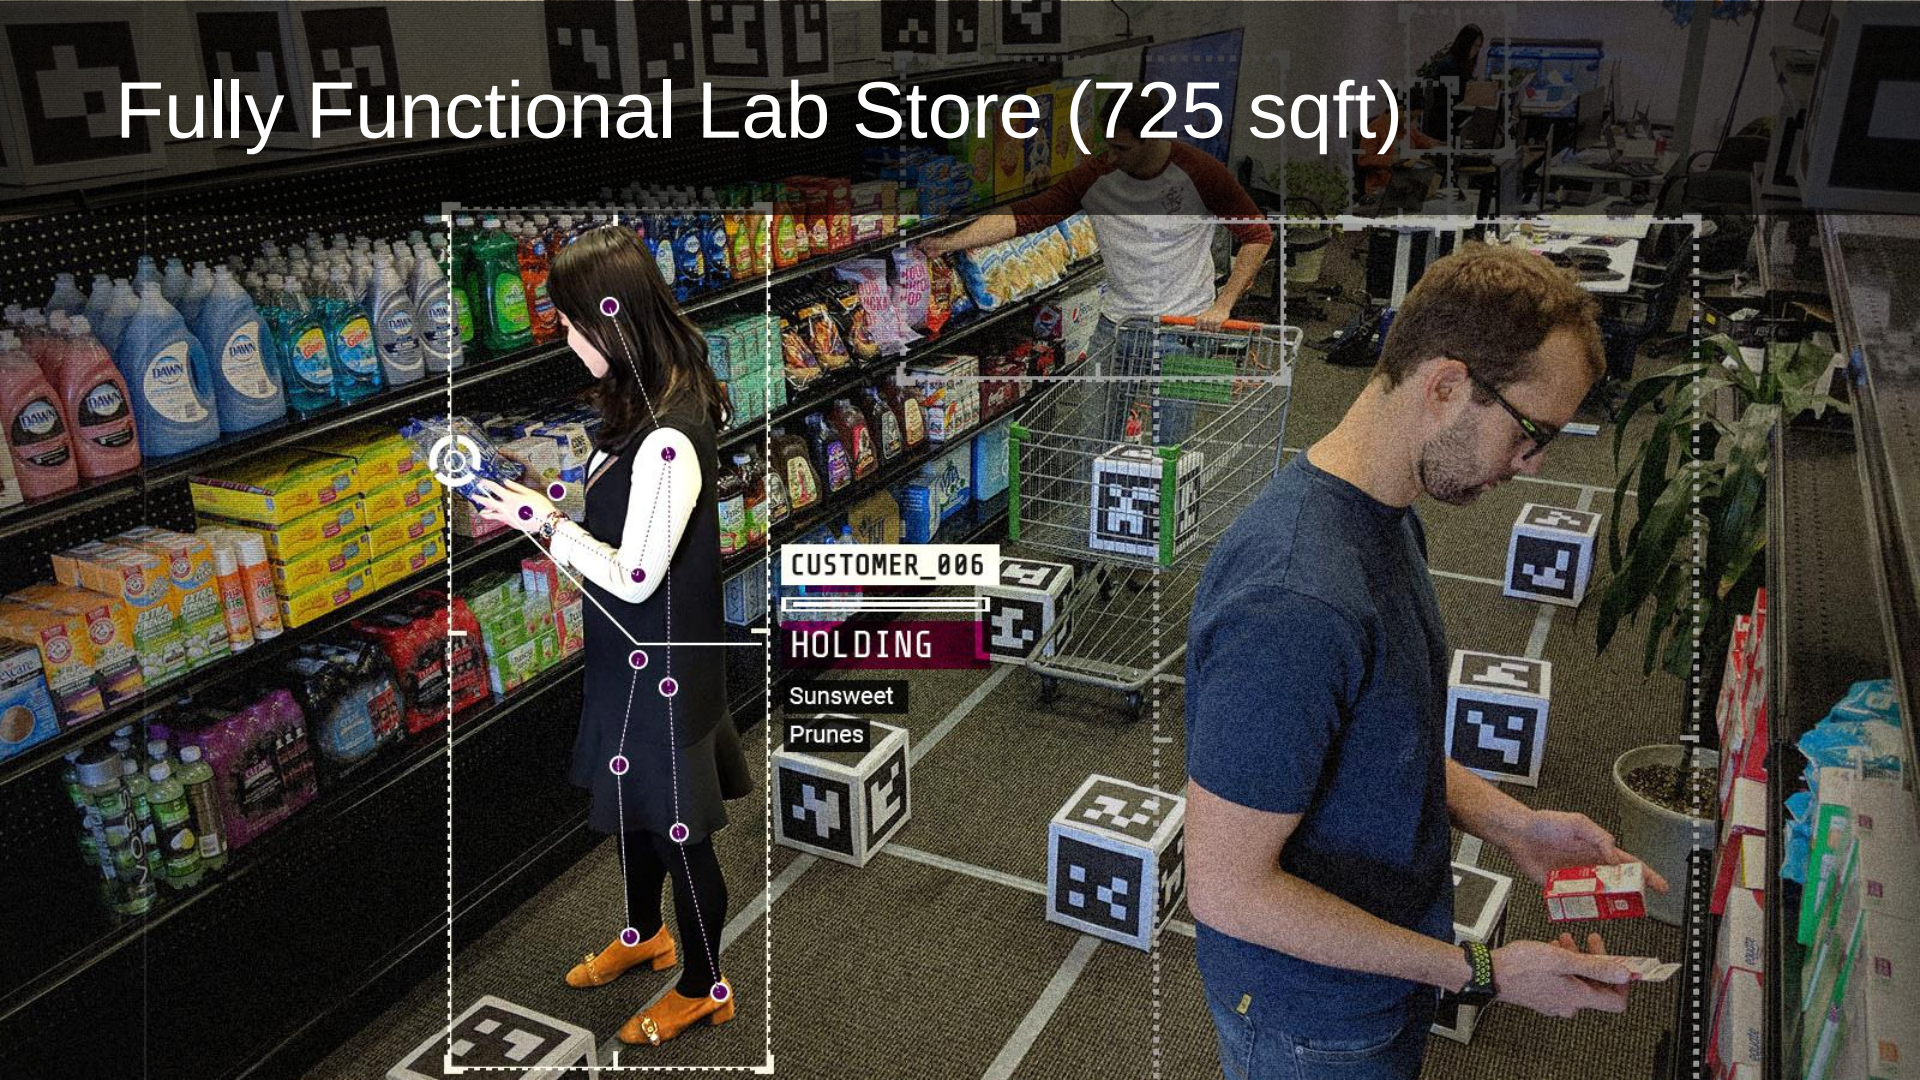
# How is AiFi different

Use simulation as heart of the training

Massively scalable to 50,000sqft stores

Robust algorithms running on the edge

# Fully Functional Lab Store (725 sqft)



25+ R&D team: Google [x], Apple, Microsoft Kinect, PhDs, Professors, Stanford GSB, ACM/IOI gold & bronze medalists, and hackers by heart

+9

We’re bringing AI to retail, **once and for all**.
